ARTICLES FOR THIS WEEK-

On Saturday 28 November Georgie competed in the SS 27 Association race (heat 2) hosted by South of Perth Yacht Club. (SOPYC). Georgie headed down river at 12 noon, and the race got under way at 1.40 pm and the only visitors were CARRAGEEN II from RFBYC and GEORGIE from CYC.

It was a long race with two long legs, from SOPYC, around very unfamiliar marks, then Hallmark, Brickanding, then Dolphin East and then back to Smith / Lucky Bay, then again around unfamiliar marks, and over the finish line at around 5pm. The race was long, close to 15 NM, and we had several long spinnaker runs, so we had some very fast legs. The Georgie team stayed at SOPYC for the presentations and then sailed back to CYC at around 7.30 pm. Georgie won a place for consistency. One of the Georgie team rode his bike down to SOPYC from Cottesloe, but hitched a ride in Georgie back to CYC after the race. We said it would save him time, but it was the reverse, he would have been faster cycling home.

**Junior Sunday Sailing 29 November 2015**
A flat calm greeted us as we started to set up for the morning’s activities, in contrast to the forecast 15-20 knot south-westerly. We had six Ozi-Optis rigged and ready, their lifeless sails pointing in all directions of the compass and it looked like being a boring morning. Then the dark line of the arriving breeze swept across Freshwater Bay just as the Tackers started to arrive. Not so boring after all. Seven Tackers joined us for the morning session, three boys and four girls so we had all six boats in service. With the breeze steadily building the more adventurous relished the conditions whooping and hollering their way through wind gusts and unforeseen gybes. The less adventurous stayed closer to the shore where our instructor and volunteer team could provide advice and assistance. By 10.30am the white caps were rolling in and we were down to three boats whose crews were still able to cope with the conditions, even managing to steer clear of the returning Lasers. So it turned out to be an exciting morning and a good learning experience for those prepared to pit their developing skills against the conditions. Many thanks to those Tackers and their parents who came down and also to our two Instructor Volunteers Rob Treeby and Richard Regan and volunteer assistants Jo-Anne and Jon Regan.

Cheers,

Richard Regan
